● HONOURS AND AWARDS

2023

Prize for Young Doctors in Psychology – Prof. Dr. Nicolae Mărgineanu Foundation.

2020

Proze for research publications – The executive unit for financing higher education, research, developemnt and inovation

2020

Prize for research publications – The Babes-Bolyai University

2017

Best presentation for early career scientists – The International Association for Cognitive Psychotherapy and Babes-Bolyai University

Within “The 9th International Congress of Cognitive Psychotherapy” for the presentation “Implicit learning of emotionally-loaded cognitive structures: implications for CBT theories”

● **GRANTS AND SCHOLARSHIPS**

2023 – CURRENT

Funding Consciousness Research with Registered Reports

Center for Open Science and the Templeton Foundation to Jurchis R. & Costea A. for the project 'Can implicit knowledge support instrumental conditioning?'"

2023 – 2024

Starting research grant

Earned by internal competition within the Babes-Bolyai University

2020 – 2021

Graduate student award

The Babes-Bolyai University through the programe POCU 123793

2020

Short term scientific mission for early career investigators award

The neural architecture of consciousness. European Cooperation in Science and Technology (COST) CA18106.pentru aplicatia mplicit and explicit learning of socioemotional information in a dynamic system control task.iption...

2016 – 2020

Ph.D. funding grant

Earned through internal competition within the Babes0Bolyai University and offered by the Ministry of education from Romania.

● **ORGANIZER / CO-ORGANIZER OF SCIENTIFIC CONFERENCES**

2025

24th Conference of the European Society for Cognitive Psychology

International conference

2023

Final conference of The neural architecture of consciousness (COST action 18106)

International conference

2018
