

Curriculum Vitae

Lavinia Cheie

Senior Researcher

Academic profiles:

Web of Science [ResearcherID: B-6562-2012](#)

ORCID: <https://orcid.org/0000-0001-6023-1191>

Google Scholar: [Lavinia Cheie](#)

Research areas

- Atypical developmental psychology
- Cognitive and emotional functioning
- Applied psychology in legal and social contexts

Research interests

- The relationship between anxiety and cognitive processes (retrospective and prospective memory, executive functioning)
- Early cognitive vulnerabilities associated with socio-emotional adjustment difficulties
- The impact of adverse experiences on child development
- Individual differences in the perception and evaluation of interpersonal crimes
- Cognitive and affective mechanisms involved in decision-making in legal contexts

Professional experience

2023 – present: **Senior Researcher**, Department of Social and Human Research, Romanian Academy, Cluj-Napoca

2019 - present: **Researcher**, [Research in Individual Differences and Legal Psychology - RIDDLE Lab](#), Department of Psychology, Babeş-Bolyai University, Cluj-Napoca;

2014 - present: **Lecturer**, [Department of Psychology, Babeş-Bolyai University](#): Lectures and seminars for Atypical Developmental Profiles (Psychology undergraduates); Developmental Specificities during Childhood and Adolescence, Risk factors for criminal behaviour, Cognitive and Socio-Emotional Evaluation in Children and Adolescents (Masters).

2008 – 2020: Researcher, Developmental Psychology Lab, Department of Psychology, Babeş-Bolyai University, Cluj-Napoca;

2009 – 2014: Seminars for the courses of Atypical Developmental Profiles (Psychology undergraduate) and Educational Psychology, Babeş-Bolyai University, Cluj-Napoca;

- 2008 – present: Tutoring for the Atypical Developmental Profiles course, Department of Psychology, Babeş-Bolyai University, Cluj-Napoca;
- 2008 – 2018: Teachers' trainer for the courses of: Atypical Developmental Profiles; Diagnosis and Intervention in Atypical Development; Developmental Specificities during Childhood and Adolescence.

Education

- 2008 –2012: PhD in Psychology (*Summa cum laude*), Department of Psychology, Babeş-Bolyai University, Cluj-Napoca. Thesis: *Anxiety and memory functioning in children: An individual differences approach*. Scientific supervisor: Prof. Mircea Miclea;
- 2007–2009: M.A. in “Clinical Psychology, Psychological Counseling and Psychotherapy”, Babeş-Bolyai University, Cluj-Napoca;
- 2003–2007: B. Sc., Faculty of Psychology and Sciences of Education, Babeş-Bolyai University, Cluj-Napoca;

Professional affiliation

- 2015–present: Member, *International Society for the Study of Behavioural Development* (ISSBD)
- 2015 – present: Member, American Psychological Association (APA)
- 2014–present: Member, *Society for Research in Child Development* (SRCD)
- 2011–2014: Council Board Member, *Early Researchers Union of the European Association of Developmental Psychology* (EADP)
- 2011–present: Member, *European Association for Developmental Psychology* (EADP)
- 2009 – present: Member, *Romanian College of Psychologists*

Prizes, scholarships, fellowships/ travel grants

- 2022: Travel grant awarded by the International Society for the Study of Behavioural Development (ISSBD) for participation at the 26th Biennial Meeting of the ISSBD, Rhodes, Greece
- 2021: Excellentia Award (Professor/Teaching staff category) offered by Babeş-Bolyai University
- 2018 - 2020: ISSBD fellowship for the research project: *Left behind or thriving? Different outcomes of parental migration in 'left behind' school-children: the role of cognitive vulnerability*, International Society for the Study of Behavioural Development.
- 2018: Travel grant awarded by the International Society for the Study of Behavioural Development (ISSBD) for participation at the 25th International Society for the Study of Behavioural Development (ISSBD) meeting, Gold Coast, Queensland,

Australia.

- 2017 - 2018: Institutional Project, Subprogram 1.1. Type - Project mobility for researchers (grant director) Title: *Mobility project for researchers/ Proiect de mobilitate pentru cercetatori* PN-III-P1-1.1-MC-2017-1107
- 2016 - Travel grant awarded by the *Jacobs Foundation* - Early Career Fellowship for participation at the *24th Biennial Meeting of the International Society for the Study of Behavioural Development* and pre-conference workshop, Vilnius, Lithuania.
- 2015 - Visiting scholar at the Lomonosov Moscow State University, Moscow, Russia. Lectures and workshops on “Executive functions evaluation and training in children”
- 2014 - Fellowship granted by the Noncommercial Partnership “Children of Russia Educated and Fit” for participation at the international seminar “Child Development in Preschool Age”, Lomonosov Moscow State University.
- 2013 - Fellow of the *2013 EADP Winter School* “Developmental Psychopathology, Environments, and Interactions: Moving Into the Genetics Era”, Haasrode, Belgium, January;
- 2012 - The “*Florian Ștefănescu-Goangă*” *Doctoral Research Excellency Award*, Romania;
- 2011 - *Jacobs Foundation Fellowship* grant for participation at the 15th EADP European Conference on Developmental Psychology, Bergen, Norway;
- 2010 - *Fellow of the FENS/IBRO Open Format School* “Looking back at Mount Ararat: Diversity and Cross-Fertilization among Approaches to Memory”, Armenia, April 2010 - *awarded participant by the European Brain and Behaviour Society (EBBS)*;
- 2008 - 2011 - POSDRU - three-year PhD Scholarship, Contract no. POSDRU/6/1.5/S/4;

Evaluation and editorial activity

A. Member of evaluating boards

- 2023 - Scientific Committee Coordinator for Conference Presentations at the Annual Conference of the European Association of Psychology and Law (EAPL 2023), 4-7 July.
- 2023 - International Expert Reviewer for the “Zhas Galym” grant competition for young scientists, National Center of Science and Technology Evaluation, Ministry of Education and Science, Kazakhstan.
- 2021 - International Expert Reviewer for the “Zhas Galym” grant competition for young scientists, National Center of Science and Technology Evaluation, Ministry of Education and Science, Kazakhstan.

B. Member of editorial boards & reviewing

- Member of the Editorial Board of *Cognition, Brain, Behavior. An interdisciplinary journal*, the journal of The Romanian Association of Cognitive Sciences (since 2012)

- 2014 - 2023: Executive Editor for *Cognition, Brain, Behavior. An Interdisciplinary Journal* <http://www.cbbjournal.ro/>
- Member of the Editorial board of *Studia Psychologia-Paedagogia*, Babeş-Bolyai University (since 2014)
- Ad-hoc peer reviewer for: *Child Development, Scientific Reports, Personality and Individual Differences, Memory, Physiology & Behavior, Child Neuropsychology, PLOS ONE, Infant and Child Development, European Journal of Developmental Psychology, Early Child Development and Care, Journal of Cognitive Psychology, Quarterly Journal of Experimental Psychology, Current Psychology, Journal of Experimental Psychopathology, Computers in Human Behavior, American Journal of Psychology, Health Education Journal, Journal of General Psychology, and Social Neuroscience.*

Research grants

Grant Director

- 2022 - 2024: Grant director *Multi-PATH: Multifinality of parental economic migration: The longitudinal interplay between risk and resilience factors predicting children's well-being*, Young Teams Project number PN-III-P1-1.1-TE-2021-1051, Financing source: Romanian National Authority for Scientific Research, CNCS – UEFISCDI
- 2020 - 2021: Grant director *An analysis on the risk and resilience factors involved in children's adjustment post parental migration*, GTC35287/2020, Babeş-Bolyai University
- 2018 - 2020: International research grant (Director). Title: *Left behind or thriving? Different outcomes of parental migration in 'left behind' school-children: the role of cognitive vulnerability*, International Society for the Study of Behavioural Development (ISSBD).
- 2012 - 2014: International research grant (Co-director). Title: *Symbolic mediation, self-control and anxiety: Research methods development and adaptation on Russian and Romanian sample of preschool children and elementary school children*, Russian Fund of Humanities Research, Moscow State University.

Member in research teams:

- 2020 -2022: Researcher - *Strategic deception as a marker of Theory of Mind development during early to middle childhood: A microgenetic approach*, Grant Director: Laura-Visu-Petra, CNCS-UEFISCDI
- 2018 - 2020: Researcher - *Reducing math anxiety during early elementary school: An intervention based on cognitive tutoring versus a working memory training program and their impact on number sense development*, Grant PN-III-P1-1.1-TE-2016-2017 Financed by UEFISCDI
- 2012 – 2016: Researcher - *Genetic and environmental factors in emotion regulation development during adolescence: implications for anxiety disorders and depression* international grant from the Romanian National Authority for

Scientific Research, CNCS – UEFISCDI, grant director Prof. Colin MacLeod .
2012 – 2013: Expert - Proiect POSDRU/57/1.3/S/33894 - „Formarea competențelor cadrelor didactice pentru promovarea stării de bine a copiilor în școli”, Grant director: Prof. Adriana Băban.

Supervision and Mentoring

2017–present: Member of the scientific committee for 16 PhD theses (7 in Legal Psychology, 8 in Developmental Psychology, 1 in Developmental Neuroscience); 6 ongoing
2014–present: Supervisor and mentor for 51 Master’s students (Legal Psychology, Clinical Psychology, Counseling and Psychological Interventions)
2014–present: Supervisor and mentor for over 120 undergraduate students (Psychology)

Professional Training and Development

2022 – Workshop: *Diversity and Relations with Peers* (Rene Veenstra & Lydia Laninga-Wijnen), Preconference workshop, 26th ISSBD Meeting, Rhodes, Greece
2018 – Workshop: *Introduction to Longitudinal Modeling* (Kathryn Modecki, Griffith University, Australia), Preconference workshop, 25th ISSBD Meeting, Gold Coast, Australia
2016 – Workshop: *Adapting Tests for Use in Other Cultures* (Fons van de Vijver), Preconference workshop, 24th ISSBD Meeting, Vilnius, Lithuania
2013 – EADP Winter School: *Developmental Psychopathology, Environments, and Interactions: Moving into the Genetics Era*, Haasrode, Belgium
2010 – FENS/IBRO Open Format School: *Looking Back at Mount Ararat: Diversity and Cross-Fertilization among Approaches to Memory*, Armenia — awarded participant by the European Brain and Behaviour Society (EBBS)

Other Professional Activities

2009 – 2015: volunteer psychologist, Estuar Foundation, Cluj Social Centre, Cluj Napoca, Mental Health Organization;
2009–present: Licensed Clinical Psychologist, Psychologists’ College in Romania (Colegiul Psihologilor din România), Bucharest
2009–present: Licensed Psychological Counselor, Psychologists’ College in Romania (Colegiul Psihologilor din România), Bucharest
2009–present: Certified Cognitive–Behavioral Psychotherapist, Psychologists’ College in Romania (Colegiul Psihologilor din România), Bucharest

Publications

a. Peer-reviewed papers
